Late Fees

Accounts will be automatically assessed 1.5% interest per month (prorated by day) on all past-due tuition and fees according to the invoice. If payment cannot be made by the due date, please contact the school manager as soon as possible to discuss the situation and sign a Late Payment Agreement.

Delinquent Accounts

Parents with past-due accounts will be asked to make payment arrangements so their children can continue at MIS.

Other Policies

- If a student attends class for any part of an academic quarter, tuition will be assessed for the entire quarter.
- Parents must email admissions@mastersinternationalschool.org and submit a Withdrawal Form prior to receiving a tuition refund.

Payment Information

At this time, MIS can receive payment in cash or via bank transfer (using the information below).

Because it takes at least one month for a new organization to open its bank account, MIS is now receiving tuition and fees through the Masters Educational Foundation. Parents will receive a temporary receipt from the foundation upon payment, and after the school account is open, they will receive a formal receipt. Below is the banking information for the foundation:
